

HEALTHCARE COLLECTION

Privacy where it matters.

Curtains for shared bed spaces and treatment areas.

Plan your facility with Dreamer.

Share your room layout, number of beds and preferred curtain appearance.

Confirm available colours, dimensions and technical requirements with us.

This collection has no published colour-code chart. Enquire using a photo.

Request the relevant specification documents for your facility before ordering.

Colours vary by screen and print. Confirm your selection with a physical sample.

Product images illustrate options; they are not a Dreamer project portfolio.
